

ROHIN ASSOCIATION OF MECHANICAL ENGINEERING (2024-25)

(CASINO-DE-MECHNICO-'24)

The inauguration of CASINO-DE-MECHNICO-'24, the departmental association of the Mechanical Engineering department, Rohini College of Engineering and Technology, was held on August 21, 2024, at Grand Arena Auditorium. The program aimed to provide essential information, insights, and resources of the association, to support students integrate seamlessly into work environment. About 350 students participated in the event and the new office bearers of the association were invoked.

Mr. Collins, Final year Mechanical Engineering student, set a positive tone for the day, by welcoming the gathering. The Chief guest was welcomed and introduced by Dr. Prince Sahaya Suderson, Associate Professor and Dean, Industrial Institute Interface. The new office bearers of the association were announced by Dr. S. Kailainathan, Associate Professor and Head, Department of Mechanical Engineering. The presidential address was given by Dr. R. Rajesh, Principal. The Chief guest, Dr. V. Manimaran, Associate professor and Placement Officer, National Engineering College, Kovilpatti, enlightened the students about the current trends and various job opportunities in the field of mechanical engineering. His talk motivated the students to focus on developing highly demanded skills, networking, preparation for interviews and ultimately increasing their opportunity to secure placements in the competitive job market. Mr. M. Mathan, Final year Mechanical Engineering student, delivered a gracious vote of thanks, acknowledging the efforts of the organizing team, participants, and guest. The event was graced by Er. M. Rajakumar, Assistant professor and Association coordinator and Dr.M. Ezhilan, Professor, Department of Mechanical Engineering.

A National Level Technical Symposium” MEXTREME 2K24“Organized by Department of Mechanical Engineering

The National Level Technical Symposium of Mechanical Engg. Department, Rohini College of Engineering, MEXTREME 2K24 was conducted on 22 November 2024 in College Auditorium. The chief Guest of this event is Shri. Jegesh David, Group director, IPRC, Mahendragiri. All the Students, Faculty member of Mechanical Engg. department and 101 Participants from other Engg. Colleges were participated in the event. The chief Guest motivated, especially the final year students to fix the goals of their future carrier for their successful life. The department Magazine and News letter was released by the Cheif Guest. The prizes distributed for academic toppers.
