RCET-ENTREPRENEURSHIP DEVELOPMENT CELL

Entrepreneurship is the buzzword which is increasingly recognized for sustained economic growth of a country. RCET Entrepreneurship development cell was formed with envisioning the paramount importance of entrepreneurship and to kindle that spirit in students. Entrepreneurship awareness workshops, guest lectures, expert talks were organized by RECT-EDC ever year.

Function of EDC

- To serve as an institutional means of supplying various services, such as knowledge, expertise to aspiring student entrepreneurs.
- To foster an entrepreneurial culture inside our institutions, including programmes for women and underprivileged groups of society.
- To promote stronger connections between our institution and the industries in the area, research and development organizations, and other groups working to support micro, small, and medium-sized enterprises (MSMEs), including non-profits and other charitable organizations.
- Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
- To stimulate the growth of businesses based on science and technology and to improvise the job possibilities.

PRINCIPAL

Rohini College of Engineering & Technology
Anjugramam Kanyakumari Main Road,
Palkulam, Varyoor (P.O.) - 629 401

ROHINI COLLEGE OF ENGINEERING AND TECHNOLOGY

PALKULAM

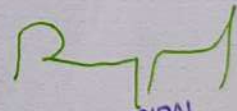

EDC& IIC RCET

World Entrepreneur's Day

SALES DAY EVENT 2024

Sales day event was organized by EDC & IIC RCET on 21 August 2024 in which students are allowed to exhibit the products produced, created or made by them. The venue of the event was KC block and APJ block. The students were made to think like an entrepreneur for that day. About 200 students showed interest and brought their products like jewelries, food items, craft items made by the students.

Students from all departments formed about 39 stalls in total and made a sales nearing 26500- on that single day. It was a one-day event where student's entrepreneurial thought was kindled and they could sense the essence of entrepreneurship and its advantages.

Sub: Permission to assign sales day
duty for EDC & IIC members - reg

Respected sir,

I hereby request you to
grant permission to assign sales day
event organizing duty for the following
faculties from 2nd hour on 21.8.24

1. Dr. I. Vallirathi, APl/CSE
2. Mr. L. Hari Gopala Krishnan, APl/Civil
3. Dr. R. Sowmiya, APl/EE
4. Mr. P. Venkateshan, APl/Agri
5. Mr. S. Sanju, APl/EEE
6. Mr. S. Wesley Jacob, APl/Mech
7. Mrs. Blanie Scrimshaw William, APl/CSE
8. Mr. R. Xavier, APl/Civil
9. Mrs. Nisha G. Krishnan, APl/EE
10. Mr. N. Arun Pandian, APl/Agri
11. Mr. C. Basker, APl/EEE
12. Mr. R. David, APl/Mech
13. Dr. S. T. Anand, APl/IMBA
14. Mr. Suresh Kannan, APl/MCA

01 Startup name

05 Your Innovation

02 One line about Idea

06 Technical Details

03 Problem Statement

07 Research done so far

04 Solution

08 Cost Structure

09 Team Information

STARTUP NAME

**CREATIVE RETROFITTED BICYCLE DESIGN
FOR AN INDIVIDUAL WITH A DISABILITY**

Briefly description about the idea

- To develop a unique, cost-effective, purpose serving motorized retrofitted tricycle for disabled person.
- To design and fabricate a motorized retro fitted tricycle for disabled person with a easy braking system according to their needs ; near to their hands or legs.
- To design with a clear and smooth suspension on both sides to maintain stability which resist them from falling down.
- To design with a opposite rotating chains so that they no need other people help to take reverse and to take a turn in difficult area.
- To make a steering for a easy turn and to make a one hand rotating controls with hand which is easy to rotate.

Problem statement

- There is no proper brakes provided and tends them to stop them using their hands on the wheels.
- There is no proper suspension provided for balancing on damaged roads which makes them to fall easily
- There is no anti-rotation to move the retrofitted tricycle backwards

Solution

- The easy braking system helps them to make the cycle to stop easily and no heavy energy is needed anymore to stop the cycle
- The smooth suspension will help them in balancing and prevent them from falling down
- The anti-rotation helps them to move back their cycle on their own without seeking others help.
- Fitting a steering also helps them to make a turn easier

(Unique Value Proposition)

- The bicycle is designed to accommodate a disabled person with ease and convenience.
- Vehicle should be cost effective.
- Vehicle should be easy to operate.
- Manual shifting of gears should not be there.
- Efforts required to climb up the wheelchair on the vehicle should be minimum

Organise an InterIntra Institutional Start-up Competition and Reward Best Start-ups.

A program of Inter Intra Institutional Start-up Competition and Reward Best Start-ups..” the Intra college event was organized by Rohini College of Engineering and Technology to our students on 15-06-2024 at Opulent Hall, Kalpana Chawla Block.

Resource person from Institution Innovation Council, Mr.Vijay have undergone every projects and gone through every ideas. The sessions were organized at Kalpana Chawla Block Rohini College from 10:30AM to 02:00PM. The ideas of the students gave many ways to develop the society of technology nation moreover the best ideas were grand with high price and motivated them with their ideas.

Many students gave attention on the session and they are very interested to take part as innovative idea creation members, they presented their ideas with project and gave my solution above their creation.

Many students were gained knowledge about the problem statement and well explained the statement and solution.

National Technology Day - 2024

Two pages write up with important highlight and photograph

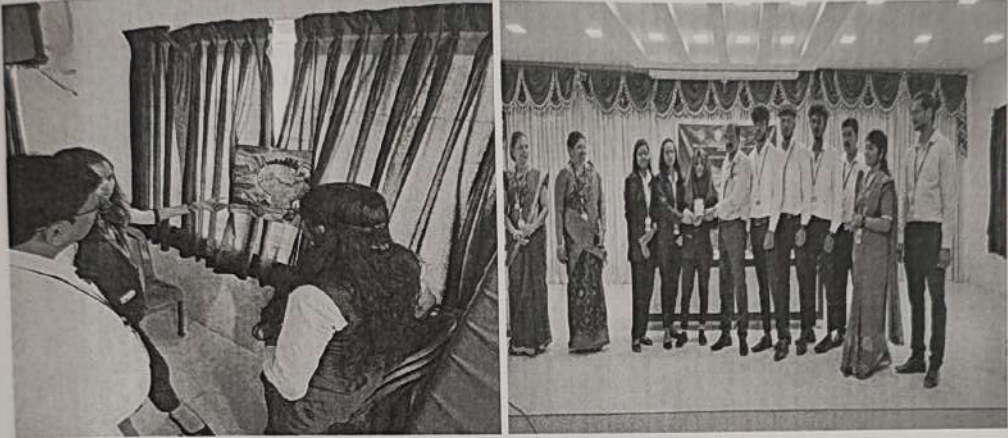

The Tamil Nadu State Council for Science and Technology (TNSCST), in collaboration with Institute innovation Council (IIC) of Rohini College of Engineering and Technology organized National Technology Day title by "From Schools to Startups: Igniting Young Minds to Innovate" on 13th May 2024 at Rohini Campus. The Function started with Inaugural session and it was inaugurated by Dr. Jebamalai Vinan Chiarachi, Former Principal Advisor, Director General of UNIDO and Mr. V.T. Puthiavan, Former Scientist ISRO, Former Deputy, Project Director, GSLV MK 3, L110, Dr. R. Sowmiya, AsP ECE, RCET welcomed the gathering. The Principal welcomed the chief guest and guest of honour.

The guest speaker was introduced to the gathering by Dr. R. B. Benisha, Associate Professor & Head, Department of Bio-medical Engineering, & IIC Convenor RCET by honouring his achievements in various fields and received awards. In his Presidential address, Dr. R. Rajesh, the Principal, recalled the words of Dr. A. P. J. Abdul Kalam, Kalpana Chawla and many scientist which motivates to Dream, Think and Aim for achieving greater things and encouraged the students to come up with new ideas and innovations and he advised the participants to invest their knowledge to high dividends.

Pallakalam, Variyoor (P.O.) - 629 401
Kanyakumari District, Tamil Nadu.

The chief guest address was delivered by Dr. Jebamalai Vinan Chiarachi, the former principal advisor and Director General of UNIDO and his speech was very useful and it motivated the students to get the knowledge of today's technology not only this he gave the life knowledge story and the lesson gave by the chief guest was very understanding and the lecture gave by the chief guest motivated the students.

Mr. V.T. Puthiavan, The Former Scientist of ISRO and Former Deputy, Project Director, GSLV MK3, L110 was delivered the guest of honour about the ISRO. He gave the lecture how to work hard and how he spend the heavy project with over talent and how the work was finished, not only he says the life history he spoke about the how much effort can be given to complete the task within the given period. After the Inaugural function, the competition was started for students to improve their knowledge and express their talents in various aspects. In this program various competition were named as prototype modelmaking, Ideathon, Documentary, Poster Making. were conducted to students. In this competition, Prototype Model Making and Ideathon were conducted at Mini Seminar Hall, RCET. Poster Making was conducted at Opulent Hall, RCET. Many participants were joined this competition to show their skills on innovative ideas. Documentary was conducted at opulent hall. Many participants with the presence of Judges After completion of all the programs, the valedictory function was conducted at the opulent hall at 3:00p.m. Prizes were distributed to the winners of the competitions by the HOD of first year and the Dr. Varadharajan sir, Professor of English Department.

Investor Awareness and Entrepreneurship Fundraising

Entrepreneurship Development Cell of RCET organized Investor Awareness Program on Investor Awareness and Entrepreneurship Fundraising at Opulent Hall. Mr. Elango, Senior Manager from NSDL gave a talk on how SEBI and NSDL actively conduct Investor Awareness Programs to educate entrepreneurs about the financial products, risks and rights. Through Investor Awareness programmes entrepreneurs can better understand the profile and concerns of informed investors which can help tailor their pitches and financial disclosures to attract suitable investors. He also gave awareness on how entrepreneurs looking to raise funds through equity, bonds or other instruments need to ensure potential investors are well informed about the opportunities and risks associated with their ventures.

Ms Suchismita Sahoo interacted with the students through online mode. The students were benefitted through this programme and gave feedback about the session.

“Rohini Hackathon - 2023”

A program of Rohini Hackathon the Intra college event was organized by Rohini College of Engineering and Technology with the collaboration of Entudio Pvt Ltd to our students on October 12,13 and 14, 2023 at Opulent Hall, Kalpana Chawla Block.

Three days of session was held in our college with various vertical statements of software and hardware given to students to solve the statements.

On the first day, Resource person from Entudio Pvt Ltd, Mr.S.Vijay, Vice President gave lectures to students. The sessions were organized at Opulent Hall, Kalpana Chawla Block from 10.00AM to 4:00 PM. He spoke about how to solve the society problem. He also explained the Innovation over the society.

After completing the speech, nearly 22 problems of Hardware and Software were given to students created by Entudio Pvt Ltd and more than 60 teams were participated.

The first round was given a timing of 2 min to each team to present the solution of the statement and various statement were shortlisted to the next round and the session was grateful to learn the other team project and thoughts.

The second round was given a timing of 3 min to each team to present the solution and objective and budget and technology used of the statement and various statement were

shortlisted to the next round and the session was grateful to learn the other team project and thoughts and for each round they gained knowledge about the statement and overview.

The final round was given a timing of 4 min to each team to present the solution and objective and budget and technology used of the statement and winner team was selected.

Resource person from Entudio Pvt Ltd, Mr.S.Vijay and Mr.Maha Krishnan and person from Startup and Innovation mission Government of Tamil Nadu, Mr.N. Rahul gave lectures to students. The sessions were organized at Opulent Hall, Kalpana Chawla Block from 03.00PM to 03:50 PM. They spoke about how to solve the society problem. They also explained the Innovation over the society.

Finally, the winners of two vertical session of Hardware and Software were awarded with cash price of Rs.5000, Rs.3000, Rs.2000 for both vertical session of Hardware and Software.

Many students were gained knowledge about the problem statement and well explained the statement and solution.

Dr.G.Magesh Kuttalam session on was organized by Entrepreneurship Development Cell on 05.09.2023 and nearly 120 students attended the session at Opulent hall of KC block , Rohini College of Engineering and Technology . The session was thought provoking and students have acquired insights how opportunity have to identified and how a market gap can be filled while thinking of a business.

RCET CELEBRATES THE SPIRIT OF WORLD ENTREPRENEURS DAY

RCET's Entrepreneurial Development Cell (EDC) and Institution Innovation Council (IIC) celebrated the World Entrepreneurs' Day on 21st August 2023. Coordinator of EDC Dr. Prem Shankari-Head of the Department Management Studies and Coordinator of IIC Dr. Benesha, Associate Professor of ECE organized a session on the topic "Opportunity Identification for Budding Entrepreneurs" by Dr. G. Magesh Kuttalam, Director, Center for Entrepreneurship, Hub Coordinator, EDII Hub, MS University, Tirunelveli.

About 120 students from Engineering and Management Studies Department attended the session which was very interactive and thought provoking which provided our students with the opportunity to think out of the box.

World Entrepreneurs Day is a celebration of the visionary individuals who dare to dream, innovate, and create. Dr. G. Magesh Kuttalam in his speech explained the benefits of participating in entrepreneurial events or programme, assisted students to set their entrepreneurial mindset and Future goal. Provided guidelines to identify opportunities in every problem finally students were made to realize the importance of entrepreneurial skill. This annual observance recognizes the pivotal role that entrepreneurs play in driving economic growth, fostering innovation, and shaping the world's business landscape.

At the end, feedbacks were collected in which participants demanded to organize many more such sessions in coming future. The vote of thanks was given by Ms. Lakshmi, Asst. Professor-MBA, coordinator of the event. Expressing her gratitude, she thanked Dr. G. Magesh Kuttalam, Director, Center for Entrepreneurship, Hub Coordinator, EDII Hub, MS University, Tirunelveli for his support and timely presence at the venue on the date of the workshop. She also thanked the management, IIC and EDC cell for their support and meticulous planning. Last but not the least she expressed her gratitude to faculty members without whom the event could not have been realized into a reality one.

Lr.No.01/EDII-HUB/UCEN/Promotional Activity /2023

Date: 17.07.2023

To,
The Principal,
Rohini College of Engineering & Technology,

Dear Sir / Madam,

Greetings from EDII-TN-IEDP Hub, University College of Engineering Nagercoil.

Innovation and Entrepreneurship Development Programme (IEDP) is the flagship Programme of EDII to create entrepreneurship orientation among college students and EDII-TN has taken many initiatives under IEDP in a hub and spoke model, to promote entrepreneurial culture in Higher Educational Institutions in the State.

As per the IEDP Action Plan 2022-23, it is proposed to organize 71 Entrepreneurship Development Programme (EDP) for Outgoing Students in Spoke colleges with the budget support of Rs.7,10,000/- (Rs.7.10 Lakhs) for 14 hubs.

EDII-HUB, UCEN has Submitted Seven applications from Spoke Colleges, from this EDII-TN has been selected Five Spoke Colleges for Conducting EDP to the Outgoing Students with the financial Support. Rohini College of Engineering & Technology is one among the Five shortlisted spoke institutions and the EDP to the Outgoing Students Programme was successfully conducted by Dr.G.Premankari, EDC Coordinator on 08.05.2023 at your College.

In this connection, We are pleased to enclose a cheque for Rs.10,000/- (Rupees Ten Thousand only) in favour of "Rohini College of Engineering & Technology, Palkulam" dated 14.07.2023 towards successfully completed the Programme.

Kindly acknowledge the receipt of this letter and cheque.

Thank you for your support!

Yours Sincerely,

Dr. M.S. STARVIN, M.E., Ph.D.,
EDII-HUB CO-ORDINATOR
University College of Engineering
Nagercoil
Kanyakumari District - 629 004

Title of the Event: Entrepreneurship development activity for Outgoing students -A one day programme on Entrepreneurship.

Date : 08.05.2023 **Time:**10.00AM-04:00PM **Venue:** Opulent Hall, Kalpana Chawla

Approved by AICTE and Affiliated to Anna University (An ISO 9001: 2015 Certified Institution)

A workshop on the topic "How to win TNSI award"

A workshop on the topic "How to win TNSI award" , associated with EDII, TamilNadu Hub Nagercoil was conducted on January 25, 2023 at Opulent Hall ,KC block , Rohini College of Engineering and Technology, Palkulam, Kanyakumari Districts. Mr.Rajesh, Field Co-coordinator , EDII-Hub, University College of Engineering, Nagercoil handled the session related to Tamilnadu Student Innovator award and its registration procedure . He explained the different stages in in TNSI viz., awareness, ideation, boot camp and final pitch.

Mr.Ajith Kumar, Entrepreneur & Founder of ASK Training solutions pvt Ltd., handled the session as a resource person and about 120 students attended the programme. The resource person gave insights on entrepreneurship, ideation and product development. He also, created awareness among students related to entrepreneurial activity and fund rising avenues for business. He explained the meaning of entrepreneurship with inspiring stories and real time anecdotes from different business personalities life.

The TNSI sessions created awareness about the theme of TNSI among the students and created a new dimension for entrepreneurship among the young minds. All the students participated with real zeal and energy.

Lt.No.10 EDII-HUB/UCEN/TNSI Awareness /2022

Date: 31.03.2023

To:
The Principal,
Rohini College of Engineering & Technology,

Dear Sir / Madam,
Greetings from EDII-TN-IEDP Hub, University College of Engineering Nagercoil.

Innovation and Entrepreneurship Development Programme (IEDP) is the flagship Programme of EDII to create entrepreneurship orientation among college students and EDII-TN has taken many initiatives under IEDP in a hub and spoke model, to promote entrepreneurial culture in Higher Educational Institutions in the State.

As per the IEDP Action Plan 2022-23, it is proposed to organize 202 TamilNadu Student Innovators (TNSI) 2022 Awareness Programmes in Spoke colleges from 04.01.2023 to 31.01.2023 with the budget support of Rs.10 lakhs for 22 hubs.

The EDII-TN Hub/UCEN has been sanctioned to conduct the TamilNadu Student Innovators (TNSI) 2022 Awareness Programmes in 10 Spoke Colleges. In this regard, Rohini College of Engineering & Technology has been selected one among the 10 Colleges and the TamilNadu Student Innovators (TNSI) 2022 Awareness Programme was Successfully conducted by Dr.G.Premisankari, EDC Coordinator on 25.01.2023 at your College.

In this connection, We are pleased to enclose a cheque for Rs.5,000/- (Rupees Five Thousand only) in favour of "Rohini College of Engineering & Technology, Palkulam" dated 30.03.2023 towards successfully completed the Programme.

Kindly acknowledge the receipt of this letter and cheque.

Thank you for your support!

Yours Sincerely

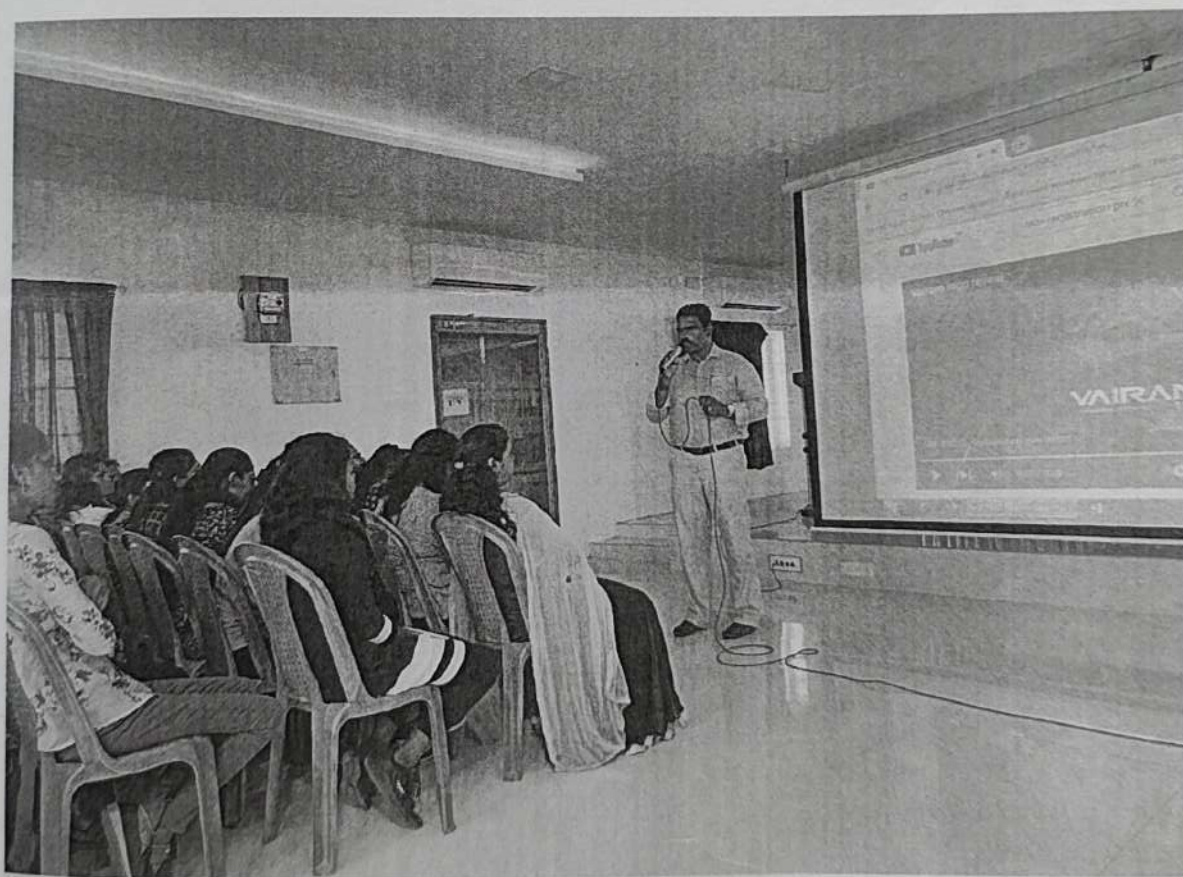

Dr. M.S. STARVIN, M.E.
