KANNIYAKUMARI-629003, TAMIL NADU.

Dear **Mr.RAGUL SELTON B,**

OFFER OF EMPLOYMENT

We are pleased to offer you employment for the position **TECHNICAL SUPPORT ENGINEER** with **ZOHO CORPORATION PRIVATE LIMITED.**

REMUNERATION

Your annual Cost to Company will be **Rs.480000/- (RUPEES FOUR LAKH EIGHTY THOUSAND ONLY)**. The break-up of your gross salary and information specific to bonus and gratuity are set out in Annexure A. Salary will be paid by the last day of each month. All additional benefits that Zoho currently provides employees are set out in Annexure B.

DATE OF JOINING

Your date of appointment is effective from your date of joining after successful completion of your curriculum.

PROBATION

You will be on probation, at a minimum, until completion of the performance review cycle that immediately follows completion of six months from your date of joining, provided that your performance is determined to be satisfactory. If your performance is not satisfactory, your probation may be extended until your performance is determined to be satisfactory. Upon completion of the probation period you will be confirmed on the rolls of the company.

SALARY REVISION

Revision to your compensation will be after one year from the date of joining, subject to satisfactory completion of the probation by you. Zoho operates a Pay-for-performance Policy and any salary revision will take your performance into account.

Sub: Joining Letter

Dear Mr. Garna Garna Garna,

We would like to take this opportunity to extend you a very warm welcome to TATA Consultancy Services Limited (TCSL) family.

We are pleased to inform you that your joining date at TCSL will be **20th June 2024** , your joining location is **Chennai** and work location is **Chennai** . You will be assigned a role in a Unit as per business requirements of TCSL.

TCS Onboarding Team will reach out to you over email in the next few days to guide you further on the onboarding process and steps to be taken to prepare yourself for onboarding.

If you have participated in TCS pre-joining 'Xplore' learning program, you have a headstart! We appreciate your passion for learning. You are now all set to experience learning through our coveted TCS Initial Learning Program.

TCS Initial Learning Program (ILP)

Learning is a way of life at TCSL. The TCS Initial Learning Program will open a world of opportunities and help you to scale greater heights in your professional life.

The program is carefully designed to develop software engineering skills, nurture professionalism and inculcate a process mindset. This program provides the perfect platform to polish the skills you have gained through the TCS pre-joining 'Xplore' learning program , making you 'project ready'.

The duration of your TCS Initial Learning Program is based on your performance in TCS pre-joining 'Xplore' learning program and business requirements.

The TCS Initial learning Program(ILP) is a training program especially curated for you as per TCSL business requirement. The program has regular assessments based on pre-defined learning objectives. You are expected to meet the required standards during the TCS Initial Learning Program(ILP). In case, your performance does not meet the expectations, the management reserves the right to either extend your program or terminate your traineeship forthwith.

As communicated through various forums during the recruitment process, your appointment is subject to completion of your final academic (UG/PG) course within the stipulated time as specified by your University/Institute and as per TCSL selection guidelines. You must also fulfill all the TCS eligibility criteria as stated in the Offer letter.

Kindly confirm your acceptance of this program by clicking on the 'I Accept' button in NextStep portal. We encourage you to join us on the specified date to enjoy the benefit of timely processing and avail better opportunities.

We look forward to you joining us on an enriching career with TCSL. Together, let us take this organization to greater heights!

Gear up to experience the future!!

Warm regards,

Janardhan S

Jeswin Sam

Rohini College of Engineering and Technology

Sub: Letter of Intent

Dear Jeswin Sam,

With reference to the interview and the subsequent discussions we had with you, we are happy to inform you that you have successfully completed our selection process and we are pleased to offer a Letter of Intent for a career with ('UST').

This offer is subject to the following and any other conditions:

1. You should complete the course which you are now pursuing, without any backlog at the time of joining.
2. Shall secure 60% aggregate in your current degree course from the first to last semester.
3. Shall provide a copy of the degree certificate or provisional degree certificate along with mark sheets of all semesters prior to the date of joining.

If you accept this offer and join our services, you will be designated as **Developer I - Software Engineering**.

Your employment will be subject to the Standard Terms and Conditions of Employment of US Technology and will be governed by various policies, rules and guidelines of US Technology. It will also be guided by the core values and beliefs of US Technology. Please note that you will also be required to sign and agree to be bound by the Employment Agreement, Employee Non-disclosure, Non-solicitation and Non-Competition Agreement and other agreements when you join the employment of the Company.

The Overall compensation offered to you is Rs 4,25,000/- (Rupees Four Lakh Twenty-Five Thousand) per annum, which will include an Annual Variable Pay of up to a maximum of Rs 21250/- (Rupees Twenty-One Thousand Two Hundred and Fifty) per annum subject to the policy of US technology in this regard.

This offer with US Technology is subject to the successful completion of your Background Verification conducted by US Technology or any other agency appointed by US Technology.

This Offer is subject to successful completion of any Pre-Onboarding training requirement assigned to you.

On successful completion of all the above and any other conditions, you will be issued with a detailed offer letter containing the terms and conditions of employment and your joining date, based on the positions open at that time, which will be binding on you.

U ■
S T

If this offer is acceptable to you, please intimate your acceptance of the same by signing a scanned copy of this letter and returning it to us on or before 30-10-2023. If no such intimation of acceptance is received on or before the said date, this offer shall stand automatically withdrawn.

We hope you will find this offer acceptable. We are confident that you will contribute to the values of the organization and wait to welcome you to the US Technology family.

Sincerely,

for **US Technology**

OFFER LETTER

Dear ANU.G,

We're delighted to extend this offer of employment for the position of **Graduate Engineer Trainee** with **Globe Components Private Limited**.

The joining date will be October 14th 2024.

Position: Your title will be **Graduate Engineer Trainee**. While you are employed at this Company, you will not engage in any other employment, consulting or other business activity (whether full-time or part-time) that would create a conflict of interest with the Company. By signing this letter of agreement, you confirm that you have no contractual commitments or other legal obligations that would prohibit you from performing your duties for the Company.

Compensation: The Company will pay you a starting salary at the rate of Rs.17,500 per month, payable in accordance with the Company's standard payroll schedule.

Termination: The Company reserves the right to terminate employment of any employee for just cause at any time without notice and without payment in lieu of notice. The Company will be entitled to terminate your employment for any reason other than for just cause, upon providing to you such minimum notice as required by law.

Privacy: You are required to observe and uphold all of the Company's privacy policies and procedures as implemented or varied from time to time. Collection, storage, access to and dissemination of employee personal information will be in accordance with privacy legislation.

We wish you the bright future in **Globe Components Private Limited**.

Letter of Intern cum Placement Offer

This is with reference to your application and subsequent interview with us, we are pleased to offer you operation and maintenance Training in Thermal power plant for two months on chargeable basis and upon successful completion of the training, and we may provide you a confirmed placement/Regular appointment, with salary details (CTC) and terms & conditions of offer as given below.

Terms and Conditions as follow:

1. The candidates who wish to be placed in our company soon after successful completion of training, by signing a service agreement on the 1st day of commencement of training, will be waived from the payment of this training fees.
2. If the candidates leave in the midst of the training after execution of agreement, then they have to pay the training cost in full to get relieved.
3. All other candidates who do not wish to execute the service agreement at the time of commencement of training and want to undergo training only, should pay the training cost in full. This fee will be treated as a security deposit for the special training we impart and will be returned to the candidates along with the first month salary, if the candidates wish to join our company at a later date agreeing for the service agreement conditions.
4. The candidates executing the service agreement after the completion of our training, should satisfy the terms and conditions of placement/appointment and if for any reason after joining the company, wish to leave the company in the middle of the service period breaking the agreement, then they will have to pay the liquidated damages.
5. The interested candidates who have signed an agreement with the company, after successful and satisfactory completion of training, may be placed suitably with a decent salary as per the company norms based on their degree/diploma qualification, in our company project sites as regular employees and may enjoy all the benefits of the regular employees.
6. The salary (CTC) for BE graduates and Diploma holders may be Rs.17000/and Rs.14500/respectively for the company trained-up engineers.
7. Your posting will be at any of our O&M establishment sites, anywhere in India and liable for transfer to any site/Department/HO/Unit of our group of companies in India.
8. ESI contribution will be deducted based on ESI applicable area and working site as per ESI act.
9. TDS and Professional Tax will be deducted as per statutory norms from the Net pay.
10. You are eligible for Bonus and Gratuity as per the payment of Gratuity act 1972 and as per the payment of Bonus act 1965.
11. You will be governed in all matters by the rules and regulations of the company for the time being in force and as amended to or modified from time to time and it is subject to the jurisdiction of Tiruchirappalli, Tamil Nadu, if any dispute arises.
12. The training classes for the next batch will start 1st April 2024.

You are requested to acknowledge receipt of this Intern cum Placement offer as a token of acceptance and return a copy to us.

OFFER LETTER

Dear RUBAN. S,

We're delighted to extend this offer of employment for the position of **Graduate Engineer Trainee** with **Globe Components Private Limited**.

The joining date will be October 14th 2024.

Position: Your title will be **Graduate Engineer Trainee**. While you are employed at this Company, you will not engage in any other employment, consulting or other business activity (whether full-time or part-time) that would create a conflict of interest with the Company. By signing this letter of agreement, you confirm that you have no contractual commitments or other legal obligations that would prohibit you from performing your duties for the Company.

Compensation: The Company will pay you a starting salary at the rate of Rs.17,500 per month, payable in accordance with the Company's standard payroll schedule.

Termination: The Company reserves the right to terminate employment of any employee for just cause at any time without notice and without payment in lieu of notice. The Company will be entitled to terminate your employment for any reason other than for just cause, upon providing to you such minimum notice as required by law.

Privacy: You are required to observe and uphold all of the Company's privacy policies and procedures as implemented or varied from time to time. Collection, storage, access to and dissemination of employee personal information will be in accordance with privacy legislation.

We wish you the bright future in **Globe Components Private Limited**.

Thanking you

For Globe Components Pvt. Ltd.,

OFFER LETTER

Date: 17 JAN 2024

Dear Aravinth S.J,

We are pleased to extend an offer for the position of CNC Operator, combining both an internship and apprenticeship program at CIM Technology.

Position: CNC Operator

Lunch Free, Breakfast & Dinner will be provided at a Concession Rate

The company will provide accommodation.

Working Hours: 8 Hrs, OT Extra

Internship Details:

- Position: CNC Operator Intern
- Duration: First Six Months
- Stipend: ₹8,000 per month
- Start Date: 09JAN2024.

Apprenticeship Details:

- Duration: 6 months After Completion of Internship.
- Salary: ₹11,000 per month
- Attendance Incentives ₹ 1,000
- Performance Incentive ₹ 3,000 (Max) After Completion of 6 months preliminary training

Upon successful completion of one year of work with us, including your initial internship period, your internship will be considered as part of the apprenticeship. As a result, you will get 37% of your stipend amount as a Bonus, which will be paid upon the completion of the one-year.

Probation/Confirmation: You will be on a probation period for the Six months. After The company will confirm your employment based on your performance.

Absence for a continuous period of ten days without prior approval of your superior, (including overstay on leave) would result in your losing your lien on the service and the same shall automatically come to an end without any notice or intimation.

Responsibilities:

- Collaborate with experienced CNC operators to gain hands-on experience.
- Learn and apply programming and operating techniques for CNC machines.
- Assist in routine maintenance and troubleshooting activities.
- Follow safety protocols and quality standards.

We believe that this apprenticeship will provide you with valuable experience and an opportunity to develop your career in CNC operation. We are confident that your dedication and commitment will contribute to the success of our team.

me: A. Sadham

Rohini College of Engineering and Technology

Letter of Intern cum Placement Offer

This is with reference to your application and subsequent interview with us, we are pleased to offer you operation and maintenance Training in Thermal power plant for two months on chargeable basis and upon successful completion of the training, and we may provide you a confirmed placement/Regular appointment, with salary details (CTC) and terms & conditions of offer as given below.

Terms and Conditions as follow:

1. The candidates who wish to be placed in our company soon after successful completion of training, by signing a service agreement on the 1st day of commencement of training, will be waived from the payment of this training fees.
 2. If the candidates leave in the midst of the training after execution of agreement, then they have to pay the training cost in full to get relieved.
 3. All other candidates who do not wish to execute the service agreement at the time of commencement of training and want to undergo training only, should pay the training cost in full. This fee will be treated as a security deposit for the special training we impart and will be returned to the candidates along with the first month salary, if the candidates wish to join our company at a later date agreeing for the service agreement conditions.
 4. The candidates executing the service agreement after the completion of our training, should satisfy the terms and conditions of placement/appointment and if for any reason after joining the company, wish to leave the company in the middle of the service period breaking the agreement, then they will have to pay the liquidated damages.
 5. The interested candidates who have signed an agreement with the company, after successful and satisfactory completion of training, may be placed suitably with a decent salary as per the company norms based on their degree/diploma qualification, in our company project sites as regular employees and may enjoy all the benefits of the regular employees.
 6. The salary (CTC) for BE graduates and Diploma holders may be Rs.17000/and Rs.14500/respectively for the company trained-up engineers.
 7. Your posting will be at any of our O&M establishment sites, anywhere in India and liable for transfer to any site/Department/HO/Unit of our group of companies in India.
 8. ESI contribution will be deducted based on ESI applicable area and working site as per ESI act.
 9. TDS and Professional Tax will be deducted as per statutory norms from the Net pay.
 10. You are eligible for Bonus and Gratuity as per the payment of Gratuity act 1972 and as per the payment of Bonus act 1965.
 11. You will be governed in all matters by the rules and regulations of the company for the time being in force and as amended to or modified from time to time and it is subject to the jurisdiction of Tiruchirappalli, Tamil Nadu, if any dispute arises.
 12. The training classes for the next batch will start 1st April 2024.
- You are requested to acknowledge receipt of this Intern cum Placement offer as a token of acceptance and return a copy to us

OFFER LETTER

Dear **RUBAN. S,**

We're delighted to extend this offer of employment for the position of **Graduate Engineer Trainee** with **Globe Components Private Limited**.

The Joining date will be October 14th 2024.

Position: Your title will be **Graduate Engineer Trainee**. While you are employed at this Company, you will not engage in any other employment, consulting or other business activity (whether full-time or part-time) that would create a conflict of interest with the Company. By signing this letter of agreement, you confirm that you have no contractual commitments or other legal obligations that would prohibit you from performing your duties for the Company.

Compensation: The Company will pay you a starting salary at the rate of Rs.17,500 per month, payable in accordance with the Company's standard payroll schedule.

Termination: The Company reserves the right to terminate employment of any employee for just cause at any time without notice and without payment in lieu of notice. The Company will be entitled to terminate your employment for any reason other than for just cause, upon providing to you such minimum notice as required by law.

Privacy: You are required to observe and uphold all of the Company's privacy policies and procedures as implemented or varied from time to time. Collection, storage, access to and dissemination of employee personal information will be in accordance with privacy legislation.

We wish you the bright future in **Globe Components Private Limited**.

Thanking you

OFFER LETTER

Dear VINOTH.J,

Rohini College of Engineering and Technology.

With reference to the discussions that we had with you, It gives me great pleasure to offer you the Associate Trainee Engineer in our esteemed organization.

We have selected you based on your great performance during all the interviews and discussions conducted and are sure we can expect the same attitude and performance in your tenure with us.

You would be expected to join us no later than 60 days from this appointment letter after which the appointment stands cancelled. You would be on probation for 3 months during which you would not be entitled to any leaves or permissions.

As a Troubleshooting Engineer we would expect you to be target oriented and achieve your set targets on a consistent basis.

Your gross salary would be **Rs.15,500/-** per month. Your performance review would be quarterly and your salary review also would be done simultaneously.

We are confident that you would be an asset to our company and we are eagerly looking forward for you to be part of our team.

Letter of Intern cum Placement Offer

This is with reference to your application and subsequent interview with us, we are pleased to offer you operation and maintenance Training in Thermal power plant for two months on chargeable basis and upon successful completion of the training, and we may provide you a confirmed placement/Regular appointment, with salary details (CTC) and terms & conditions of offer as given below.

Terms and Conditions as follow:

1. The candidates who wish to be placed in our company soon after successful completion of training, by signing a service agreement on the 1st day of commencement of training, will be waived from the payment of this training fees.
2. If the candidates leave in the midst of the training after execution of agreement, then they have to pay the training cost in full to get relieved.
3. All other candidates who do not wish to execute the service agreement at the time of commencement of training and want to undergo training only, should pay the training cost in full. This fee will be treated as a security deposit for the special training we impart and will be returned to the candidates along with the first month salary, if the candidates wish to join our company at a later date agreeing for the service agreement conditions.
4. The candidates executing the service agreement after the completion of our training, should satisfy the terms and conditions of placement/appointment and if for any reason after joining the company, wish to leave the company in the middle of the service period breaking the agreement, then they will have to pay the liquidated damages.
5. The interested candidates who have signed an agreement with the company, after successful and satisfactory completion of training, may be placed suitably with a decent salary as per the company norms based on their degree/diploma qualification, in our company project sites as regular employees and may enjoy all the benefits of the regular employees.
6. The salary (CTC) for BE graduates and Diploma holders may be Rs.17000/and Rs.14500/respectively for the company trained-up engineers.
7. Your posting will be at any of our O&M establishment sites, anywhere in India and liable for transfer to any site/Department/HO/Unit of our group of companies in India.
8. ESI contribution will be deducted based on ESI applicable area and working site as per ESI act.
9. TDS and Professional Tax will be deducted as per statutory norms from the Net pay.
10. You are eligible for Bonus and Gratuity as per the payment of Gratuity act 1972 and as per the payment of Bonus act 1965.
11. You will be governed in all matters by the rules and regulations of the company for the time being in force and as amended to or modified from time to time and it is subject to the jurisdiction of Tiruchirappalli, Tamil Nadu, if any dispute arises.
12. The training classes for the next batch will start 1st April 2024.

You are requested to acknowledge receipt of this Intern cum Placement offer as a token of acceptance and return a copy to us

OFFER LETTER

Dear **SRIKANTH.G**,

We're delighted to extend this offer of employment for the position of **Graduate Engineer Trainee** with **Globe Components Private Limited**.

The Joining date will be October 14th 2024.

Position: Your title will be **Graduate Engineer Trainee**. While you are employed at this Company, you will not engage in any other employment, consulting or other business activity (whether full-time or part-time) that would create a conflict of interest with the Company. By signing this letter of agreement, you confirm that you have no contractual commitments or other legal obligations that would prohibit you from performing your duties for the Company.

Compensation: The Company will pay you a starting salary at the rate of Rs.17,500 per month, payable in accordance with the Company's standard payroll schedule.

Termination: The Company reserves the right to terminate employment of any employee for just cause at any time without notice and without payment in lieu of notice. The Company will be entitled to terminate your employment for any reason other than for just cause, upon providing to you such minimum notice as required by law.

Privacy: You are required to observe and uphold all of the Company's privacy policies and procedures as implemented or varied from time to time. Collection, storage, access to and dissemination of employee personal information will be in accordance with privacy legislation.

We wish you the bright future in **Globe Components Private Limited**.

Thanking you
