About RCET

Rohini college of Engineering and Technology (RCET) was started in the year 2012 by Shri.K.Neela Marthandan, a great Industrialist and philanthropist and now managing by his son Dr.N.NeelaVishnu. It is located at Palkulam near Anjugramam junction & Kanyakumari, the southernmost town in India. RCET is about 5 kms from the Kanyakumari railway station and 14 kms from Nagercoil Junction. RCET is approved by All India Council for Technical Education (AICTE), New Delhi & affiliated to ANNA University, Chennai since 2012. The main feature of the college comprises world class Infrastructure with experienced and talented faculties, excellent pass percentage, good placement records and society-oriented products/projects developed by the students.

Our Vision

- ✓ To be an academic institute of continuous excellence towards education and research in rural regime and provide service to nation in terms of nurturing potentially higher social, ethical and engineering companion graduates.

Our Mission

- ✓ To foster and promote technically competent graduates by imparting the state of art Engineering education in rural regime.
- ✓ To enunciate research assisted scientific learning by dissemination of knowledge towards science, agriculture, industry and national security.

Quality Policy

- ✓ Committed to impart quality education for the continual enrichment of the moral values of technically competent graduates.
