ABSTRACT RESOLUTION

The following resolution was taken at the 11th meeting of the Board of Management of Rohini College of Engineering and Technology, Palkulam vide meeting no. BoM:11 dated 29th November, 2023:

Resolution No.: RCET/17/BoM/11/29.11.2023:

The Chairman informed the Board members about the necessity of E-Governance implementation in the institution. The role of each E-Governance and its needs are explained. E-Governance implementation has been made for Finance and Accounts, Administration, Student Admission and Support, Examination Management and Library. The modules supplied vendors for the respective e-governance platform is listed as

LIBSOFT Solutions & KOHA - Library software module

Bluechip Informatrix - Finance software (Tally) module

CAMU (Octoze Technologies) - Administration software module

For the implementation of these software, as per the ERP document, adequate training was given by the owners of the module and staff members. With a view of streamlining the process in the academic year 2023-2024, implementation of these modules is carried out in a phase-wise manner. The implementation report was accepted by the Board after necessary discussion with the module owners and perception on the details of e-governance implementation.

ROHINI COLLEGE OF ENGINEERING AND TECHNOLOGY, PALKULAM Annual E-Governance Report

2023-24

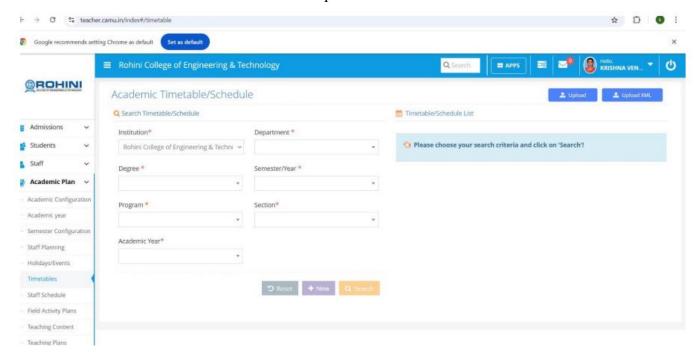

RCET has drafted the policy for implementation of E-Governance in various administration and academic activities of the institution from the academic year 2012-13 to accelerate the functioning and development of the institution in terms of efficiency and reliability with digitalization.

Implementation of E-governance in areas of operation

E-governance is implemented in the following areas of operation in RCET:

1. Administration

The key concept of utilizing Camu is to assist Course materials, previous year Anna University question papers, conduction of Quiz, assignment submission and evaluation, assessment marks, and attendance details are entered in Camu software platform and communicated to the students.
