“Organising Innovation & Entrepreneurship Outreach Program in Schools/Community”

A Session on Organising Innovation & Entrepreneurship Outreach Program in Schools/Community was organized by Institute Innovation Council to Students on February 13, 2024 at St Stellas Matriculation Higher Secondary School, Anjugramam.

Resource person from Institution Innovation Council, Dr.R.B.Benisha gave lectures to students. The sessions were organized at St Stellas Matriculation Higher Secondary School, Anjugramam from 03:00PM to 04:00PM. She spoke about Innovation and overall detailed about the ideation process. She gave lectures about society problem and make the students to innovative themselves.

Many students gave attention on the session and they are very interested to take part as innovative members, they asked many question and solution were provided.

This session moved not in teaching, it went more innovative with interactive session.
